day of service

In order to aid in your financial planning, we would like to inform you of our financial policy. Our policy for the day of service is that payment is due when services are rendered. We accept cash or check, as well as Visa, MasterCard, or Discover. This amount may vary depending on the patient's portion with regard to insurance. However if the patient holds no dental insurance they will need to be ready to pay the fee for the services.

insurance

Tippin Dental Group is a provider for Delta Dental of Kansas and Blue Cross Blue Shield of Kansas. However, we will be glad to file your claim with whatever insurance company you are using. Insurance coverage is between the patient and their insurance company. Therefore, if the insurance company does not pay, the fees become the patient's responsibility. *Call for details
